

# About Law Security & Investigations, Inc.

We're Fully Licensed, Insured & Committed  
to Your Safety.

Since 2001, we have worked to fulfill our mission of creating a safe and distraction-free environment for our clients. Properly licensed and insured, we provide the full range of professional security services, personnel, consultation and investigations for clients throughout California, Texas, Florida and internationally.

Law Security & Investigations, Inc. is a California registered Corporation also licensed in Texas and Florida, capable of conducting investigative and security services in support of Risk Management, Crisis and Disaster Response, needs for Major Corporations, Financial Institutions, Tech Corporations and High-Value Assets.

LSI provides armed security support for the movement and security of high value items such as jewelry, art, electronics and other assets. To this end, LSI utilizes teams of highly trained and licensed professionals.

# Customized Security Solutions

As a full-spectrum security solutions provider, our services are customized to our client's needs. We provide uniformed guards, plain clothes corporate security officers, executive protection agents, protective intelligence, investigations, background checks, workplace violence mitigation, stalker mitigation and disaster relief. Our clients include Fortune 500 corporations, entertainers, studios, sports figures, high-net-worth and ultra-high-net-worth individuals. Our personnel secure residential estates, corporate offices, schools, churches, synagogues, etc.

## LSI is Your Strategic Security Partner

At Law Security & Investigations, we see our services as an opportunity to create lasting partnerships with our clients.

Developing relationships of this kind helps us better understand and address immediate and ongoing security needs. This allows us to provide proactive security measures prior to any incident as opposed to reactionary, after an incident. By remaining proactive we can predict and mitigate security disruptions before they happen.
